TumbleKids with Parent is family Fun for Everyone! This program is designed to guide you in helping your child 12 months through 2 years of age reach their full potential! Activities include music, finger plays, pretend play, climbing, jumping, beginning tumbling, and active exploration!

**TumbleKids  
(3 Years and 4-5 Years)**

The TumbleKids program will encourage children to explore their physical ability and coordination. We have two primary goals: 1) to raise each child's confidence level by encouraging them to go beyond their own expectations and perceived willingness to try; 2) to develop each child's kinesthetic awareness, physical ability, and coordination. Gymnastics movement patterns and skills, as well as other developmental movements, are the "tools" we use to challenge each child to go beyond their self-imposed boundaries

**Children MUST be 3 and/or 4 yr before the beginning of the term.**

**TumbleKids with Parent  
(2½-3½ Years)**

This is a transition class for those who are ready for a bit more structure. Children will learn how to follow circuits independently.
