TumbleKids with Parent
(1 & 2 Years)

TumbleKids with Parent is family fun...wrapped in a professionally planned, educationally sound program of developmental movements and sensory motor experiences. This program is designed to guide you in helping your child reach his or her physical, mental and emotional potential through the delightful medium of play. Activities include music, climbing, jumping, beginning tumbling and other pre-gymnastics skills. **ONE PARENT PER CHILD.**

TumbleKids with Parent

Enrollment is limited to one class per child per term.
