We are the longest-running gymnastics center in Greater Kalamazoo. We started serving families in the area in 1985 in a 2,500 sq. ft. space with about 150 students and only three teachers. In 1999, we moved into our current facility and expanded our space in early 2002 and again in 2012.

We now have over 20,000 square feet of space with state of the art equipment, 900-plus students, and more than 25 teachers. Thanks to our families, athletes, and caring teachers, Kids Gym continues to expand and is dedicated to providing children with the best in gymnastics training!
